

Stroke changes lives - We are here for you!

The acute phase is over, now it's time for rehabilitation - or discharge home or into a care home. Who can I turn to with my questions? What care options are there for me? Where can I find help to support me in caring for my relative? Can I still apply for rehabilitation after two years? How can I get back into my old job?

What can I do?

- ✓ Free advice service for stroke victims and their relatives Unterstützung
 - Support with social law issues
 - Advice and support in organizing aftercare
 - Information on participation benefits (participation in working life, social participation, integration assistance)
 - Information on care services
 - Help with the search for self-help groups
- ✓ If required: Organization of interpreters for the counselling service

When?

- ✓ Every Tuesday from 10:00 to 17:00 (prior appointment necessary)

How?

- ✓ Appointments can be made by e-mail and telephone:
 - At any time: by e-mail to servicepunkt@schlaganfall-allianz.de
 - Tuesdays from 10:00 to 17:00: By telephone on 030 450 560 600 (German)
 - Wednesdays and Thursdays from 10:00-13:00: By telephone on 030 450 560 605 (German, English, Spanish)

Where:

- ✓ By phone
- ✓ Online via MS-Teams or ZOOM
- ✓ On site:
 - Servicepunkt Schlaganfall
 - Charité Campus Mitte
 - Passageway Luisenstraße 9
 - 10117 Berlin-Mitte

The Stroke Service Point is a service offered by the Berlin Stroke Alliance (Berliner Schlaganfall-Allianz e.V. - BSA), in which institutions from all areas of stroke care have been networking with each other since 2008. As a result, the BSA brings together expert knowledge on stroke in the Berlin and Brandenburg region and provides qualified advice and information.
